*Hand-blown crystal is no longer too expensive to use Every day* now at new prices—the celebrated

The beauty of a hand-created thing is precious. Glass as exquisitely brilliant, as crystalline, as Steuben can only be made by hand!

In each piece of Steuben you recognize the loveliness of an individual masterpiece. For the man who made it learned his craft in a far-off country where the art of glass blowing is a family heritage.

Your friends recognize the diamond-like clarity

of Steuben at a glance—no need for the flick of a finger that calls forth that clear bell-like ring machine glass can never give.

The new Steuben designs for fall are a delight—so different, so modern. The prices are a joy, too. You won't be able to resist them. And since every design is an open pattern, it's a wonderful time to supplement the Steuben you already own.
